If you are in high school or have a high school aged child, you should know about the latest developments in college admissions.

In this informative session you will learn about:

- ✓ **Current trends in college admissions-what is different now.**
- ✓ **Twelve important qualities colleges seek in their applicants.**
- ✓ **SAT or ACT-what you should know.**
- ✓ **The SC Education Lottery Scholarships-how to get the money.**
- ✓ **The annual college rankings-why they don't really matter.**

With over thirty years of professional experience in the college admission process, Dr. Overton's high school students have been admitted to colleges and universities across the country and internationally. His students and clients have received more than \$40 million in scholarship awards since 1995.
